Comments Report

4. Comments:

- 4.1) Please identify what you perceive to be the real strengths and weaknesses of this teaching assistant and course.
- A little spacey in regards to lectures and explaining, but overall good dude. Helpful, and did expand on the lecture material to better my understanding.
 - Bang is a great TA who is always available to help students. Sometimes if I can't make it to his office hours, he will stay late and talk to me. He replies email ASAP and once I emailed him my essay at 3:30am, and he replied by 6 in the morning. He is one of the best TAs I have ever had at UCLA!
 - Bang is extremely supportive, helpful, concerned about student learning, and provides added course material to supplement student learning in section.
 - Bang is honestly one of the only TA's who actually takes the time to make sure that we understand the material. He read over our essay drafts even though it was not required of him, and held numerous office hours to make sure that we understood the concepts.
 - He was very concerned about us understanding the course material. Overall he did a great effort.
 - Mr. Zheng is a concerned, compassionate man who enjoys seeing his students learn and grow academically. In my opinion, that is the best quality that a teacher/TA leader could have. He puts his students first and, as a result, his students benefit greatly from it. All in all, I have learned a lot from Mr. Zheng and will always think highly of him.
 - Overall a very good teaching assistant would recommend him to other students.
 - You are one of the best TAs I have ever met. Your assignment and your instructions not only give me incentive to delve in to the study of the political science but also give me ideas on how to write a good paper. You are very dedicative because you always extend your TA's office hour, which provide students with more chance to improve their essays and understanding on the topic. Your emphasis on the paper's format and structure is excellent. For me, my logic is much more clear on writing a paper right now. Thank you so much!
 - great TA
